# K FAMILY CYMBALS

Born from the original K cymbals developed by Zildjian in 19th century Turkey, today's K Family is rooted in tradition with a contemporary soul. Spanning across four series, the K Family delivers on an exceptionally diverse collection of sounds, built to satisfy the needs of drummers across every genre.

## K ZILDJIAN CYMBALS

The dark, warm sounds of the K Zildjian series can shine in virtually every musical setting – making them a go-to cymbal

for drummers around the world. From K and K Dark to K Light and K Sweet, there's a must-have dark sound for every type

of drummer in the K Zildjian series.

For more on the unique sonic properties of K, K Sweet, K Light and K Dark, visit [Zildjian.com](http://Zildjian.com)

# KEROPE CYMBALS

Dark, loose and complex, Kerope draws from Zildjian's rich history of cymbal making to rekindle the spirit of the vintage K cymbal.

Named in honor of Kerope Zildjian, who presided over one of the most storied periods in Zildjian history, each cymbal is

meticulously handcrafted and represents the best of everything that we've learned in nearly 400 years of cymbal-making.

# K CONSTANTINOPE CYMBALS

Inspired by orchestral cymbals and adapted for the drum set, the legendary "K Con" is renowned for its complexity,

consistency and beauty. Made in small batches using a 14-step hammering process, these cymbals speak in dark tones

that can be at once cutting and smooth.

# A FAMILY CYMBALS

Invented by Avedis III, the first "A" style cymbals brought forward a brand new sound that changed the music world forever. Spanning across three series, today's A Family extends that game-changing sound into bigger, brighter and sweeter directions that work across every genre.

## A ZILDJIAN CYMBALS

Zildjian's classic sound is embodied by A Zildjian and immortalized in countless recordings by the greatest drummers of all time.

Known for their versatility, these bright cymbals range from thin and delicate, to extra heavy and cutting.

For more on the unique sonic properties of A, A Custom, and A Avedis visit [Zildjian.com](http://Zildjian.com)

# A CUSTOM CYMBALS

Recognized by their striking brilliant finish, A Custom cymbals feature unique tonal grooves and lower profiles.

Together, these attributes produce a smoother, glassier and brighter sounding cymbal with more give when played.

It is these qualities that have made the sound of A Customs particularly sought after in the studio.

# A AVEDIS CYMBALS

Named in honor of Avedis Zildjian III, the father of the modern American cymbal, Avedis cymbals are a faithful

recreation of the famous early A sound that changed music forever. Thin, loose and sweet, these enduring instruments

continue to fuel the creativity of modern players who are looking for the clean sound of A, with a warm, vintage character.

# BAND & ORCHESTRAL CYMBALS

KASIPLANETZ

## K CONSTANTINOPLE ORCHESTRAL

The legendary "K Con" is renowned for its perfect blended sound quality. Complex hammering contributes to the

cymbals' unique sonic identity and dark tones that can be at once cutting and smooth. Made in small batches using a

14-step hammering process, K Constantinople has its own signature voice.

# ARTIST SERIES

To this day, each signature stick we make is conceived with the same care and respect for artistry and musicality. Each Signature Series model is

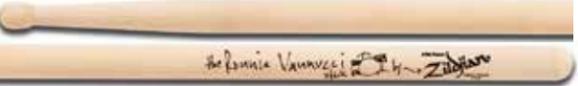

conceived through extensive research and collaboration with the world's finest drummers from a variety of musical styles. The designs reflect their musical

requirements in terms of feel, sound projection and cymbal color. Vic's Signature Series truly puts the artist's personal touch into your hands! All colored

sticks feature a clear, natural tip. All sticks are hickory unless otherwise noted.
